

Congress of the United States

Washington, DC 20510

March 14, 2025

The Honorable Donald J. Trump
President of the United States
The White House
1600 Pennsylvania Avenue NW
Washington, D.C. 20500

Dear President Trump:

We write to you on behalf of hundreds of children and American families who have been devastated by the People's Republic of China's decision to halt its intercountry adoption program. We request that you act in the best interest of these children and engage the Chinese government to finalize these pending adoption cases.

As members of the Congressional Coalition on Adoption and other Members of Congress who share these concerns, the safety of adopted children and hundreds of would-be adoptees is our top priority. The sudden termination of China's adoption program in August 2024 only exacerbated our concern for these children's well-being. Many of these children have special health care needs, and some will soon age out of care systems without the support of a permanent family. It is particularly critical that these children have access to the care and support that they need — which hundreds of American families approved for adoption are willing to provide.

We understand that the State Department is working on behalf of these families and seeking clarity on the Chinese government's decision. We urge you to elevate this engagement and press the Chinese government to finalize pending adoption cases so these children may finally be united with their adoptive families in the United States.

Thank you for your attention to this important matter. We are prepared to work closely with you to ensure these children are welcomed into safe and stable homes.

Sincerely,

Amy Klobuchar
